

Soccer Stars 3-5 years

Soccer Stars Beginner 3-4 years

The Soccer Stars Beginner class introduces teamwork in a non-competitive environment. The main areas of focus are dribbling, shooting, and ball control. Since this is the first independent class for most players, there is still a large emphasis on listening and following directions.

Soccer Stars Intermediate 3-4 years

Soccer Stars Intermediate program is designed for players who have completed soccer Stars Beginner or have had previous soccer experience. This class focuses more on team work and one-ball oriented skills such as passing, and ball movement. The intermediate class is designed to prepare players for league play in a non-competitive environment.

Soccer Stars Advanced 4-5 years

The Soccer Stars Advanced class introduces the rules, structure and discipline of soccer. Players will focus on the tactics and fundamentals of team play as well as individual skills. Classes will consist of a small period of instruction followed by a small-sided scrimmage where players will use the skills they learned from the instruction and apply them in a non-competitive game.
